Dear Ms. Smith:

The New Mexico Pharmacists Association (NMPhA), established in 1928, is a non-profit association representing professionals from all pharmacy practice settings. I have been responsible for organizing and planning our Association Meetings since the year 2000. It has been a true pleasure doing business with the Sheraton Albuquerque Uptown Hotel over the years.

Our 2005 Mid-Winter Meeting took place at the Sheraton on 2/5/05 – 2/6/05 and we could not have been happier. No complaints by our attendees, but compliments on the wonderful food, service and reliability of the on-site audio visual staff and equipment. Since our success of our meeting in 2005, we scheduled several smaller meetings throughout the years. Our next major meeting is scheduled for 1/31/09 – 2/1/09 at the Sheraton Albuquerque Uptown Hotel and our members are truly looking forward to returning to a more beautiful hotel!

Thanks again to your wonderful staff who exhibit true professionalism! It's a wonderful pleasure to return to your facility and we are looking forward to planning many future events!

Sincerely,

Julie R. Weston
Association Administrator

New Mexico Pharmacists Association is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.
